## A MESSAGE FROM OUR CHIEF

### WHAT EMPLOYEES SAY ABOUT THE JOB

“As a 15 year veteran Officer, the decision to lateral to the Fremont Police Department was the best career decision I could have made. The Department truly values its employees as can be seen from the amount of trust they show their Officers, the discretion they entrust them with, and the amount of training and investment spent in developing each Officer’s skills.”

—Detective Bryce Loughery

“Fremont PD offers a unique work environment that empowers each and every employee to reach their highest potential. Even as a new Officer the department allowed me to investigate my own cases from start to finish and they provided me with the resources needed. I love how this department is a small enough agency where you get to know everyone you work with, but it is still large enough to provide several opportunities for advancement and specialized assignments.”

—Officer Lindsay Snyder
